

Southside Christian Fellowship Church is a place where you are loved, accepted, and received. It's a place of healing, a place of prayer, and a place of hope. We desire to see each member and visitor grow closer to Jesus each time we gather. We want to see people's lives changed for the better; that when you walk out of a service, you walk out with more freedom, more deliverance, and more healing than when you walked into the building. We also do not want to promote a spirit of fear. So, the task we have been faced with over the past few weeks has not been taken lightly. The following is an updated response to the request by President Trump as well as the recently signed "shelter in place" executive order by Governor Kemp

Titus 3:1-2 says, "Remind them to be subject to rulers, to authorities, to be obedient, to be ready for every good deed, ²to malign no one, to be peaceable, gentle, showing every consideration for all men. Therefore, Southside Christian Fellowship Church offices and sanctuary building will be closed until further notice. We will still meet online for Bible Studies and stream the Sunday morning message live via our Facebook page.

In closing, we want to remind you that the church is not going anywhere. While the buildings may be temporarily closed, the body of Christ lives within each of us. Just because we will not be meeting for live services doesn't mean we should stop sharing the gospel of Jesus Christ. God is still in charge and we are not going to live in fear. We pray God bless and keep you; may He cause His face to shine upon you and be gracious to you. That He would lift the light of His countenance upon you and give you peace everywhere you go. In Jesus name.

Sincerely,

Pastors Eddie and Joanie
